Winfield Resources Limited (the "Company", WWF-CDNX) wishes to announce that it has begun to investigate various oil and gas resources business opportunities in Western Canada. As part of its investigation the Company is presently reviewing and considering the independent analysis and evaluation of various oil and gas properties. The Company will continue this investigative effort as appropriate properties are submitted for participation.

Winfield Resources Limited corporate focus is to acquire or jointly develop Properties on which substantial acquisition, exploration and developmental expenditures have been made, where there is a significant exploitable resource and where there is excellent infill potential.

On Behalf of the Board of Directors,
WINFIELD RESOURCES LIMITED

"Michael Foley" President
