JUNE UPDATE

VANCOUVER - Winfield Resources Limited (TSX VENTURE: WWF) wishes to confirm that the Company's management is unaware of any material change in Winfield's operations that would account for the recent increase in market activity.

Winfield is an energy company focused on the acquisition and utilization of advanced ethanol technology and for the development of oil and gas operations, with its primary area of interest being Alberta, British Columbia, Libya and adjacent countries. Winfield has identified projects that meet the Company's acquisition criteria and has initiated discussions and evaluations.

On behalf of the Board

Robert Michael Foley
President and CEO
