CFO RESIGNATION

Winfield Resources Limited (WWF: NEX-H) has accepted the resignation of June Ballant, as Chief Financial Officer, effective December 31, 2008.

Winfield has engaged a local chartered accounting firm to review all accounting systems and to provide recommendations to streamline both domestic and foreign accounting processes and to recommend measures to failsafe the company against future filing failures.

On behalf of the Board

Robert Michael Foley
President and CEO

Certain statements herein may constitute “forward looking” statements that involve known and unknown risks, uncertainties and other factors that may cause our actual results to be materially different from any future results expressed or implied by such forward looking statements. These statements relate to future events and reflect the expectations of management regarding business prospects and opportunities. Such forward looking statements reflect current beliefs of management or of the third parties to which they are attributed and are based on information currently available to us. In some cases, the statements use such words as “may”, “will”, “intend”, “should”, “expect”, “believe”, “plan”, “anticipate”, “estimate”, “predict”, “potential”, “continue” or the negative of these terms or other similar terminology. These statements reflect current expectations regarding future events and speak only as of the date hereof, or in the case of third party statements as of the date on which they were made. Forward looking statements involve significant risks and uncertainties, should not be read as guarantees of future results, and will not necessarily be accurate indications of whether or not such results will be achieved, and there can be no assurance that actual results will be consistent with these forward looking statements.
