LIBYAN STATUS

Winfield Resources Limited (“Winfield”) (WWF.H:TSXV) announces today that it has received re-confirmation from the Libyan General People’s Committee for Industry, Commerce and Trade that Winfield’s License to build, own and operate a 300,000 barrel per day oil refinery remains both valid and in good standing.

(Reference here being made to the original grant of license approved by the resolution of the General People’s Committee for Trade, Economy and Investment No. (313) dated 29/05/2008).

In addition, the National Oil Corporation of Libya has re-confirmed the good standing of the feedstock arrangement provisioning for a supply of 150,000 bbls/day of crude oil to Winfield from Libyan sources, in accordance with the NOC’s general terms and conditions.

Winfield’s primary business is the engineering, procurement, construction and management of crude oil refineries. Winfield’s intended business includes the building, owning and operating of one or more oil refineries in Northern Africa.

On behalf of the Board

Robert Michael Foley
President and CEO
