WINFIELD MCTO DEFAULT STATUS REPORT

This news release is being issued by Winfield Resources Limited (“Winfield”) (TSXV:WWF.H) as a Default Status Report to the Default Announcement dated August 13, 2009 pursuant to the Alternative Information Guidelines of NP 12-203 Cease Trade Orders for Continuous Disclosure Defaults.

There are no material changes to the information contained in the Default Announcement issued by Winfield on August 13, 2009.

There are no failures by Winfield in fulfilling its stated intentions with respect to satisfying the provisions of the Alternative Information Guidelines of NP 12-203.

There is no new default or anticipated default by Winfield subsequent to the Default Announcement dated August 13, 2009.

There is no other material information concerning the affairs of Winfield which has not been generally disclosed.

Winfield’s primary business is the engineering, procurement, construction and management of crude oil refineries. Winfield’s intended business includes the building, owning and operating of one or more oil refineries in Northern Africa.

On behalf of the Board

Robert Michael Foley
President and CEO

Certain statements herein may constitute “forward looking” statements that involve known and unknown risks, uncertainties and other factors that may cause our actual results to be materially different from any future results expressed or implied by such forward looking statements. These statements relate to future events and reflect the expectations of management regarding business prospects and opportunities. Such forward looking statements reflect current beliefs of management or of the third parties to which they are attributed and are based on information currently available to us. In some cases, the statements use such words as “may”, “will”, “intend”, “should”, “expect”, “believe”, “plan”, “anticipate”, “estimate”, “predict”, “potential”, “continue” or the negative of these terms or other similar terminology. These statements reflect current expectations regarding future events and speak only as of the date hereof, or in the case of third party statements as of the date on which they were made. Forward looking statements involve significant risks and uncertainties, should not be read as guarantees of future results, and will not necessarily be accurate indications of whether or not such results will be achieved, and there can be no assurance that actual results will be consistent with these forward looking statements.
